Screening Made Simple for Your Business

Order online. Pay as you go.

Screen employees and contractors, review driving records, and access business and vehicle reports through ISB Express. Register your business and start ordering once your account is approved and activated.

Services for Your Business

Criminal and Identity
Premium National Criminal Record Checks include mobile identity verification and additional local database searches. Certified police letter and standalone identity verification options are available.

Employment and Education
Verify Canadian employment history for up to 3 employers, collect automated checks for up to 3 references, and confirm academic credentials.

Social Media Screening
Ferretly reports review publicly available online and social media activity for potential reputational, behavioural or compliance concerns.

Consumer and Business Credit
Employment-related consumer credit reports and commercial credit profiles. Additional authorization is required; ISB helps complete the forms.

Driver Screening
Driver's licence validation and status checks, provincial and territorial driver abstracts, commercial vehicle operator reports, and U.S. FMCSA PSP reports.

Vehicle History
CARFAX Vehicle History Reports, with an optional lien check.
